SUBJECT: PLEASE I NEED YOUR HELP

PLEASE I NEED YOUR HELP

Attention: My Dear

I am Mrs. Mariam Abacha, the wife to the late Head of State, of the Federal Republic of Nigeria from 1993 - 1998 - [General Sani Abacha.] My husband made a lot of money as the former Head of State of Nigeria for five years. He has different accounts in many banks of the world, and has not left any stone unturned in accruing riches for his family.

The present democratic government of Nigeria led by President (Gen. (Rtd)) Olusegun Obasanjo has not found favour with my family since their inception. This may be as a result of his hatred for my late husband who kept him in jail for over two years for a coup attempt by him, before the death of my husband. He was released immediately my husband died and he was later made the present President of Nigeria. He has confiscated and frozen all my family account and properties in Nigeria and some other countries like America, Europe and Asian continents. It has been in both the local and international news. Presently my son Mohammed Abacha has been languishing in different prison centers in Nigeria for a case against his father which he knows nothing about. And I am presently on house arrest over here too.

Now my purpose of all these introduction and proposal to you is just seeking for your candid assistance in claiming these sum of \$50,800,000.00 USD [FIFTY EIGHT MILLION DOLLARS] which my late husband has hidden from the Nigerian government during his regime, which is presently somewhere in a security company here in Nigeria under secretive means. This is a huge sum of money, due to secret requires upon this transaction I cannot trust much on most saboteur friends of my family here in Nigeria who could not be trusted, so I deemed it necessary to contact you for this trustworthy transaction. All whom I needed is a sincere, honest, trustworthy and God-fearing individual whom my mind will accept to help me in this deal. If you have feelings about my situation, do not hesitate to stand for me as a beneficiary to claim the funds from the security company.

And if my proposal is sudden to you, all I need from you now is for you to stand as the beneficiary of these money to claim it and bank for me pending on our freedom from the trial which we are going through here in Nigeria, to proceed to meet with you in your country for our stay. There are no difficulties, as I will send your name as the recipient as well as the beneficiary of the money. On your identification and confirmation from me by the security company the consignment containing the said funds will be handed to you. All I need from you now is your confirmation of willingness as my beneficiary, I will give you the full details. You will be compensated with 25% of the total funds for all your efforts in keeping the funds on my behalf, while we have set aside 5% for expenses that may occur during the process of

the transaction.provided these funds are save for me in your care in your country.Please this is a very serious matter,and it?s a save my soul request from you as I will be delighted too much to receive a positive response from you in order to move into action for the completion of the project.I will give you details on request from you.

Thanks and be blessed by God almighty.

Yours faithfully

SUBJECT: REQUEST!

FROM THE DESK OF: LEU CHENG BANK OF CHINA SHENZHEN CHINA I am Mr.Leu Cheng , Bank Manager of Bank of China, Shenzhen Branch, China. I have urgent and very confidential business proposition for you. On June 6, 1999, a British Oil consultant/contractor with the Chinese Solid Minerals Corporation, Lawrence Hester made a numbered time (Fixed) Deposit for twelve calendar months, valued at US\$30,000,000.00 (Thirty Million Dollars) in my branch. Upon maturity, I sent a routine notification to his forwarding address but got no reply. After a month, we sent a reminder and finally we discovered from his contract employers, the Chinese Solid Minerals Corporation that Mr. Lawrence Hester died from an automobile accident. On further investigation, I found out that he died without making a WILL, and all attempts to trace his next of kin was fruitless. I therefore made further investigation and discovered that Mr. Lawrence Hester did not declare any kin or relations in all his official documents, including his Bank Deposit paperwork in my Bank. This sum of US\$30,000,000.00 is still sitting in my Bank and the interest is being rolled over with the principal sum at the end of each year. No one will ever come forward to claim it. According to Laws of Republic of China, at the expiration of 5 (five) years, the money will revert to the ownership of the Chinese Government if nobody applies to claim the fund. Consequently, my proposal is that I will like you as a foreigner to stand in as the next of kin to Mr. Lawrence Hester so that the fruits of this old man's labor will not get into the hands of some corrupt government officials. This is simple, I will like you to provide immediately your full names and address so that the attorney will prepare the necessary documents and affidavits that will put you in place as the next of kin. We shall employ the services of an attorney for drafting and notarization of the WILL and to obtain the necessary documents and letter of probate/administration in your favor for the transfer. A bank account in any part of the world that you will provide will then facilitate the transfer of this money to you as the beneficiary/next of kin. The money will be paid into your account for us to share in the ratio of 90% for me and 10% for you. There is no risk at all as all the paperwork for this transaction will be done by the attorney and my position as the Branch Manager guarantees the successful execution of this transaction. If you are interested, please reply immediately via the private email address above. Upon your response, I shall then provide you with more

details and relevant documents that will help you understand the transaction. Please send me your confidential telephone and fax numbers for easy communication. Please observe utmost confidentiality, and rest assured that this transaction would be most profitable for both of us because I shall require your assistance to invest my share in your country. Awaiting your urgent reply via my email address. Thanks and regards. Leu Cheng

FROM: robinson iweka [robinson.iweka@vun.zzn.com] TO: robinson.iweka@vun.zzn.com SENT: Sat 8/14/2004 12:35 PM SUBJECT: Business Oppurtunity From:Mr Robinson iweka. Box 1287 Port Shepstone Chaka -South Africa.

URGENT AND CONFIDENTIAL} (RE: TRANSFER OF (\$ 142,000.000.00 USD) {ONE HUNDRED AND FOURTY TWO MILLION DOLLARS)

Good day friend

Before I introduce myself, I wish to inform you that this letter is not a hoax mail and I urge you to treat it serious

We want to transfer to overseas the sum of One hundred and Forty Two Million United States Dollars (U.S.\$ 142,000,000.00) from a in Africa.

I want to ask you to kindly look for a reliable and honest person who will be capable and fit to provide either an existing bank account or to set up a new bank account immediately to receive this money, though an empty bank account could serve this purpose as long as you will remain honest to me till the end of this important business trusting in you and believing in God that you will never let me down either now or in time to come.

I am MR, Robinson iweka,the external auditor of a Bank.During the course of our auditing,I discovered a floating fund in an account opened in the bank in 1990 and since 1993 nobody has operated on this account again. After going through some old files in the records, I discovered that the owner of the account died without a “Heir apparent to the throne” hence the money is floating and if I do not remit this money out urgently it will be forfeited for nothing.

The owner of this account who is Mr.Eshed.B.Willey, a foreigner and an industrialist died, since 1990,until now no other person(s) knows about this account or could give any documentary evidence concerning this account. As such this account has no other beneficiary and my investigation proved to me as well that Eshed.B.Willey until his death was the manager Oriental Diamond Company,in South Africa.

However, if you are interested in this business we will start the first money transfer with Forty Two Million U.S.Dollars(U.

S.\$42,000,000.00) upon successful transaction without any disappointment from you. We shall also re-apply for the payment of the remaining amount to your account.

While the total amount involved is One hundred and Forty Two Million United States Dollars (U.S.\$142,000,000.00)only. I would want us to make a first transfer of [Forty Two Million United States Dollar.(U.S.\$42,000,000.00)from this money into a safe foreigners account abroad before the rest. I am only contacting you as a foreigner because this money can not be approved to a local account, without valid international foreign "Agreement", but could only be approved to any foreigner with valid international credentials: passport or drivers license and foreign account because this sum is in U.S. dollars and the former owner of the account Mr.Eshed.B.Willey is a foreigner too, thus the money could only be approved into a foreign account.

However, knowing all this, we will reach a binding agreement in this regards.

As a matter of urgency, I will inform you the next step to take, while you Send your private telephone and fax number including the full details of the account to be used for the deposit.

I want us to meet face to face to build confidence and to sign a binding agreement that will bind us together before transferring the money to any account of your choice where the fund will be safe. Before we fly to your country for withdrawal, sharing and investments,I need your full co-operation to make this business a success, because the management is ready to approve this payment to any foreigner who has correct information of this account, which I will give to you, upon your positive response and once I am convinced that you are capable and will meet up with the instructions of a key bank official who is deeply involved with me in this business. I need your strong assurance that you will never let me down.

With my influence and the position in the bank we can transfer this money to any foreigner's reliable account which you can provide with assurance that this money will be intact pending our physical arrival in your country for sharing.

And to build confidence that you can come immediately to discuss with me face to face after which I will make this remittance in your presence and three of us will fly to your country at least two days ahead of the money going into the account.

I will apply for annual leave to get visa immediately I hear from you that you are ready to act as directed.

To prove the authenticity of the business I will use my position and influence to obtain all legal approvals for onward transfer of this money to your account with

appropriate clearance from the relevant ministries, foreign exchange departments, embassy and Board of Internal Revenue Services.

At the conclusion of this business, you will be given 35% of the total amount, 60% will be for me, while 5% will be for expenses both parties might have incurred during this process.

I look forward to your earliest reply through my email address.

Yours truly

MR, Robinson iweka.
