ENG. PETERS M PETERS Union Bank of Nigeria Plc., Lagos,Nigeria.

Dear Friend,

I am ENG. PETERS M PETERS Manager of Union Bank of Nigeria Plc., Lagos, Nigeria. I have urgent and very confidential business proposition for you.

On June 6, 1999, a Foreign Oil consultant/contractor with the Nigerian National petroleum Corporation, Mr.Barry Kelly made a numbered time (Fixed)Deposit for twelve calendar months, valued at US \$45,500,000.00 ( Forty Five Million Five hundred Thousand Dollars only) in my branch. Upon maturity, I sent a routine notification to his forwarding address but got no reply.

After a month,we sent a reminder and finally we discovered from his contract employers, the Nigerian National Petroleum Corporation that Mr. Barry Kelly died from an automobile accident. On further investigation, I found out that he died without making a WILL, and all attempts to trace his next of kin was fruitless.

I therefore made further investigation and discovered that Mr. Barry Kelly did not declare any kin or relations in all his official documents, including his Bank Deposit paperwork in my Bank. This sum of

US\$10,500,000.00 has carefully been moved out of my bank to a security company for safe-keeping. No one will ever come forward to claim it. According to Nigerian Law, at the expiration of 5 (five) years, the money will revert to the ownership of the Nigerian Government if nobody applies to claim the fund.

Consequently, my proposal is that I will like you as an Foreigner to stand in as the owner of the money I deposited it in a security company in two trunk boxes though the security company does not know the contents of the boxes as I tagged them to be photographic materials for export.

I am writing you because I as a public servant can not operate a foreign account or have an account that is more than \$1m. I want to present you the owner of the boxes in the security company so you can be able to claim them with the help of my attorney. All these are to make sure that the fruits of this old man's labor will not get into the hands of some corrupt government officials.

This is simple. I will like you to provide immediately your full names and address so that the Attorney will prepare the necessary documents which will put you in place as the as the owner of the boxes.

The money will be moved out for us to share in the ratio of 70% for me and 25% for you and 5% will take care of all expenses. There is no risk at all as all the paperwork for this transaction will be done by the Attorney and this will guarantee the successful execution of this transaction.

If you are interested, please reply immediately via my email upon your response, I shall then provide you with more details and relevant documents that will help you understand the transaction.

Please observe with utmost confidentiality, and be rest assured that this transaction would be most profitable for both of us because I shall require your assistance to invest my share in your country.

Thanks and regards. ENG. PETERS M PETERS Union Bank Plc.

Re: Free Business Partnership

Dear Sir/Madam,

This is to invite you to freely participate in a business venture on behalf of my partners and I. We especially need you to act as the chief beneficiary of a contract sum worth \$14M in the Ministry of

Works & Housing, Nigeria.

For your benefit of doubt, we [ my partners & I] are management officials in the board team of the above named government parastatal. In addition, we are members of the internal audit review panel set up to reconcile all bonifide contract debts being owed to foreigners by the government of Nigeria.

In the course of our auditing, we came across the siad sum of \$14m floating in the ministry escrow account as an accrued debt payable to a yet un-identified contractor since 2001. On thorough examination, it was discovered that the \$14M was a debt brilliantly created by the former Director General in favour of a company that she was about to incorporate locally here with the help of a foreign partner.

We made consultations with the former DG and eventually struck an agreement with her. The masterplan she created remains the same. The plan is to make you the chief beneficiary to the \$14M by way of advancing you/your company as the real contractor to whom the sum is owed by the Ministry for a project executed between 2000/2001. As a matter of fact, all the modalities needed to achieve this has already been perfected. The overall plan is 100% foolproof and will be carried out legally in every aspect of the transaction. Specifically, your duty will be to act in correspondence (via E-mails, Faxes & Telephone)- with the local Ministry of Finance as well as the Apex Bank authorities; until your total claims are verified, approved and the money paid into your advised bank account.

Whereas we would like to maintain our full confidentiality for now, we shall however provide you with more details as to the masterplan and the entire time frames involved. We will do so when you indicate your interest to become a partner with us.

Looking forward to a cordial business partnership with you.

Sincerely,

Engr. Biodun Fans

FROM:MRS MARIAM ABDUL KALI BARCLEYS BANK LONDON. MY ADDRESS:Newcastle  
upon Tyne, UK E-MAIL:abdulkali222@fusemail.com

Dear ,

Greetings,I am MRS MARIAM ABDUL KALI,a Manager at The BARCLEYS Bank Of LONDON.  
However I get your contact through the International web directory. Recently we discovered a Dormant  
Account with a huge amount of Money Valued USD14,000,000.00 (Fourteen Million Dollars only)that  
belongs to one of our lateCustomer who died in a plane crash .

During our investigation and auditing in this bank, my department came across a very huge sum of  
money belonging to MOHAMED KAMAL YASSER who died with his along with his wife and his  
Two sons and the fund has been dormant in his account with this Bank without any claim of the fund in  
our custody either from his family or relation before our discovery to this development.

The Banking law here stipulates that if such money remains unclaimed for Six years, it will be forfeited  
to the Bank Treasury as an unclaimed bill. It is only a foreigner that can stand as a next of kin and It is  
upon this discovery that I decided to contact you to collaborate with you to pull out this dormant fund.In  
order to avert this negative development, I on behalf of my trusted colleagues now seek your permission  
to have you stand in as next of kin to Our late Customer so that the fund will be released and paid into  
your account as the beneficiary?s next of kin now that the bank is still expecting a next of kin or relative  
of the deceased,MOHAMED KAMAL YASSER .

www.cnn.com/us/9911/02/egyptair990.list/index.html (please find out from the web site About the  
crash).

Infact we could have done this deal alone but because of our position in this country as civil servants, we

are not allowed to operate a foreign account and that would eventually raise an eye brow on our side during the time of transfer since we still work in this bank, this is the actual reason why we required a second party or fellow who will assist us forward claims as the next of kin and also provide either an existing bank account or to set up a new Bank a/c immediately to receive this fund, even an empty a/c can also serve for this purpose.

On smooth conclusion of this transaction, you will be entitled to 25% as gratification for your assisting us, while 5% will be set aside to take care of expenses on our both sides that may arise during the time of transfer and also for telephone bills, and the remaining 70% will be for me and my partners. What I want from you is for you to act as the deceased next of kin. I have in my possession, all the necessary Documents to successfully accomplish the operation.

Bear in mind that this proposal is 100% risk free. Further Information will be given to you as soon as I receive your positive response. I suggest you get back to me as soon as possible stating your wish.

Best Regards.

MRS MARIAM ABDUL KALI.

From: Kenneth Tyler [tykent@telstra.com] Subject: Hello!

Mr. Kenneth Tyler Commonwealth Bank of Australia. 99 Queen Street, Melbourne VIC 3000, Australia.  
Date: 11th May 2004.

Dear friend,

This is a proposal in context but actually an appeal soliciting for your unreserved assistance in consummating an urgent transaction requiring maximum confidence. Though this approach appears desperate, I can assure you that whatever questions you would need to ask or any other thing you

will need to know regarding this proposal will be adequately answered to give you a clearer understanding of it, so as to arrive at a successful conclusion.

My name is Mr. Kenneth Tyler, Head of Securities, Commonwealth Bank of Australia, Melbourne. On February 17, 2002, a foreign consultant/contractor with the Asea Brown and Boveri Ltd, Mr. Enrique Salcedo, made a numbered time (fixed) Deposit for twelve calendar months, valued at US \$20,000,000.00, (Twenty Million United States Dollars) in my branch. Upon maturity, I sent a routine notification to his forwarding address but got no reply. After a month, I sent a reminder and finally we discovered from his contract employers, Asea Brown and Boveri (the energy giant), that Mr. Salcedo

died from an automobile accident.

On further investigation, I found out that he died without making a WILL, and all attempts to trace his next of kin was fruitless. I therefore made further investigation and discovered that Mr. Salcedo did not declare any next of kin or relations in all his official documents, including his Bank Deposit paperwork in our Bank. Due to the funds being temporarily unclaimable, the funds have being moved out of our bank ( as sundry funds )to an offshore Deposit Company in the European Union.

>From past experiences, I know that no one will ever come forward to claim the deceased funds. According to Australian Law, at the expiration of 5 (five) years, the funds will be Unclaimable and revert to the ownership of the Australia Government if nobody applies to claim the fund.

In order to avert this negative development, I in conjunction with a colleague (the Chief Operating Officer in the bank) now seek your permission to allow my attorney do a CHANGE OF OWNERSHIP/ REASSIGNMENT OF CREDIT

of stated funds from the "deceased" to your name, so that the funds (US\$20million) would be released to you as the new owner (on behalf of me and my colleague). We are writing you because, as public servants, we cannot operate a foreign account or have an account that is more than AUS\$160,000:00. Consequently, you will be presented as the owner of the funds in the Deposit Company so you can be able to claim them, after all necessary paperwork has being effected. For us to commence, I will like you to provide the following information immediately;

1. Full names 2. Contact address 3. Telephone and fax numbers

Once I receive these information, I will prepare the necessary documents which will put you in place as the new owner of the funds. The money will then be released to your custody by the Deposit Company, for us to share in the ratio of 70% for us and 30% for you. There is no risk at all as all the paperwork for this transaction will be done by the solicitor and this will guarantees the successful execution of this transaction. If you are interested, please reply via my email address. Upon your response, I shall then provide you with more details, and further explanation that will help you understand the transaction.

No doubt this proposal will make you apprehensive, please we imploy you to observe utmost confidentiality and rest assured that this transaction would be most profitable for both of us because we shall require your assistance to invest our share in your country (Real estate and any other ideas you may have), this is why your urgent action and response is of great essence which will enable us conclude this transaction in a timely and professional manner.

I await your swift response hoping you accept my proposal, as time is of equal essence in this project as well as is confidentiality. Your response should be to my private email address: knnth593@netscape.net

Thank you and have a nice day.

Respectfully yours,

Mr. Kenneth Tyler.

DEPARTMENT OF MINERALS AND ENERGY PRETORIA, SOUTH AFRICA.

Dear Friend,

It is my great pleasure to write you this letter on behalf of my colleagues. I have decided to seek a confidential co-operation with you in the execution of a deal hereunder for the benefit of all parties and hope you will keep it confidential because of the nature of the business. Within the Department of Minerals and Energy where I work as an Assistant Director of Audit, with the co-operation of two other top officials, we have in our possession an overdue contractor payment in US Dollars funds. The said funds represent certain percentage of the contract value executed on behalf of my Department by a foreign contracting firm, (Pearls Ltd) which we the officials over-invoiced to the amount of US \$15,200,000 (Fifteen Million Two Hundred Thousand US Dollars). Since the present elected Government is determined to pay foreign contractors all debts owed, so as to maintain good relations with foreign governments and non-governmental agencies, we included our bills for approvals with the Department of Finance and the Reserve Bank of South Africa (RBSA). We are 100% sure of funds approvals to anyone or company we (The Audit Committee) recommend as part of the sub-contractors who did jobs for the Department. We are seeking your assistance to front as the sub-contractor of the unclaimed funds, since we are not allowed to operate foreign accounts. Details and change of beneficiary information upon application for claim to reflect payment and approvals will be secured on behalf of you/your Company. My colleagues and I are prepared to give you US\$2.5m while we take US\$7.4m and the balance of US\$5.3m for taxes and miscellaneous expenses incurred. This business is completely safe and secure, provided you treat it with utmost confidentiality. It does not matter whether you/your Company does contract projects, as a transfer of rights will be secured in favour of you/your Company through the Federal High Court of South Africa before we can proceed. I have reposed my confidence in you and hope that you will not disappoint us. Kindly notify me immediately for further details upon your acceptance of this proposal.

From: Mariam Abacha (Mrs)

Dear Friend,

I am writing to you in good faith to please be of help to me. I am really very sorry intruding into your privacy, I pray you receive this letter in excellent spirit. May peace, joy and mercy of God be upon you and your entire household.

I am Hajia Mariam Abacha (Mrs) the widow (wife) of the late military head of state General Sani Abacha who died on the 8th of June 1998.

Following the death of my late husband, Gen. Sani Abacha, elections were successfully held in the country and a civilian administration was sworn into power with the assistance of the American Government under the leadership of President "Bill Clinton". With the advent of the new democratic administration, a decision was taken by the new president of Nigeria, Olusegun Obasanjo to probe and ultimately prosecute all past military officers and their cohorts that served in very strategic capacities in the last military regime of my husband. My son "Muhammed" was among those singled out to be punished after a makeshift trial, for the supposed deeds of my husband, ever since my son has been in detention (the past 3 years).

On Monday the 24 September 2002, my son was released, on the condition that he will release the rest of my husband's money in my care, to the tune of \$1.5b, which he agreed. Now my son has been released but kept under severe house arrest. I had amassed monies running into hundreds of millions of dollars stashed in various private foreign accounts around the world, most of which have been frozen. Presently, my son is confined under house arrest after his recent release from detention and we are now constrained into seeking for this assistance today because I cannot afford to let this government know that we still have funds stashed away. Shortly, before my son's detention I hurriedly deposited the sum of USD30 million with a security deposit firm for safekeeping, hence my seeking your assistance to receive this fund. I have since had this amount stashed away in a private security company in Europe.

I hereby seek your assistance in moving and securing this money in your account abroad. I will adequately compensate you with 30% of the total sum for your assistance and co-operation with me to move this fund to your account for safe keeping where I can easily utilise it. The present administration has beamed their search light on any body remotely related to me and my family and you strongly know for certain that we are under surveillance and I cannot operate any of my bank accounts any more, due to their being frozen. I intend to safeguard and invest this amount of money abroad, but with a reliable foreign business partner so that he can invest the funds in landed properties and other business of your expertise.

That is why I am soliciting your assistance and cooperation as regards this business. Arrangements have already been perfected for you receiving the funds with absolute peace of mind from the Security Company where the \$30m is deposited in cash. I cannot say much about our predicament but I will humbly advise get more information by checking the following web;

I would want you to acknowledge this letter by furnishing to me your private phone and fax numbers so that i can contact you and commence the transaction in earnest.

Thanking you for your kind understanding and co-operation.However, your early and favourable response will help us accomplish this transaction in less than eight working days.

I AM WRITING THIS LETTER TO ASK FOR YOUR SUPPORT AND COOPERATION TO CARRY OUT THIS BUSINESS OPPORTUNITY IN MY DEPARTMENT. WE DISCOVERED AN ABANDONED SUM OF \$15,000,000.00 (FIFTEEN MILLION UNITED STATES DOLLARS ONLY) IN AN ACCOUNT THAT BELONGS TO ONE OF OUR FOREIGN CUSTOMERS WHO DIED ALONG WITH HIS ENTIRE FAMILY OF A WIFE AND TWO CHILDREN IN NOVEMBER 1997 IN A PLANE CRASH. UNFORTUNATELY, NEITHER THEIR FAMILY MEMBER NOR DISTANT RELATIVE HAS EVER APPEARED TO CLAIM THE SAID FUND. UPON THIS DISCOVERY, I AND OTHER OFFICIALS IN MY DEPARTMENT HAVE AGREED TO MAKE BUSINESS WITH YOU AND RELEASE THE TOTAL AMOUNT INTO YOUR ACCOUNT AS THE HEIR OF THE FUND SINCE NO ONE CAME FOR IT OR DISCOVERED HE MAINTAINED ACCOUNT WITH OUR BANK, OTHERWISE THE FUND WILL BE RETURNED TO THE BANK'S TREASURY AS UNCLAIMED FUND. Re:Free Business Partnership

Dear Sir/Madam,

This is to invite you to freely participate in a business venture on behalf of my partners and I.

We especially need you to act as the chief beneficiary of a contract sum worth \$14M in the Ministry of Works & Housing, Nigeria.

For your benefit of doubt, we [ my partners & I] are management officials in the board team of the above named government parastatal. In addition, we are members of the internal audit review panel set up to reconcile all bonifide contract debts being owed to foreigners by the government of Nigeria.

In the course of our auditing, we came across the siad sum of \$14M floating in the ministry

escrow account as an accrued debt payable to a yet un-identified contractor since 2001. On thorough examination, it was discovered that the \$14M was a debt brilliantly created by the former Director General in favour of a company that she was about to incorporate locally here with the help of a foreign partner.

We made consultations with the former DG and eventually struck an agreement with her. The

masterplan she created remains the same. The plan is to make you the chief beneficiary to the \$14M

by way of advancing you/your company as the real contractor to whom the sum is owed by the

Ministry for a project executed between 2000/2001. As a matter of fact, all the modalities needed

to achieve this has already been perfected. The overall plan is 100% foolproof and will be carried out legally in every aspect of the transaction. Specifically, your duty will be to act in correspondence ( via E-mails, Faxes & Telephone)- with the local Ministry of Finance as well as the Apex Bank authorities; until your total claims are verified, approved and the money paid into your advised bank account.

Whereas we would like to maintain our full confidentiality for now, we shall however provide you

with more details as to the masterplan and the entire time frames involved. We will do so when

you indicate your interest to become a partner with us.

Looking forward to a cordial business partnership with you.

Sincerely,

Engr Biodun Fans

My Dear,

With a sincere heart, I write you this proposal in utmost confidentiality, trust and wish to draw your attention to my need for assistance. I am a wife of late DR Nzamba Leonba, who died after three days Major-Operation at General hospital Nkembo Libreville Gabon. He was a Computer scientist with the Banque des Etats de l'Afrique centrale Gabon branch. I got to know of your courtesy of international business bureau, from one Director in charge of importations and Exportation of Goods and Product.

Sequel to my zeal towards the security of my life and my husband fund in Foreign Security Firm in Gabon. I, therefore write to give you break down of my life. My dear, I have two happy days. Happy days are what we worked for. But happy days are not easily worked for.(tears) my late husband left me without a child.

Besides, I was made to understood that, if a man died without an issue all his wealth will be shared by the entire relatives. From the time immemorial, the tendency of human beings is live to live together, very few normal human beings live in isolation from their kind. Therefore consciousness of kind leads to Community living with it's own ethos and taboos. Precisely, my husband had a secret Account Worth of \$51.8 Million (FIFTY ONE MILLION EIGHT HURNDRED THOUSAND DOLLARS) with the Foreign Security Firm, which I now demanded your ability/assistance to put up claims of receiving the fund on your side for safety. Since the money has to be claimed by a non-co naissance.

Dear, I'm down with imperialism and tribal division, no sporadically act nor pious revolution can resolve my present problems and condition. Nothing will be of avail except one from overseas assisted me and

claim this fund through the help of my husband Attorney in Gabon.

For now I am lame and I must depend on crutches to support and sustain myself. But tomorrow may be well on the way. Flying low or high in life depends in God. My humble duty now is to pray that my wound shall be healed if ever you will never fail me in the longer days and longer nights. I await your kind response via my email: [mrslycee@yexmail.com](mailto:mrslycee@yexmail.com)

Yours sincerely,

MRS LYCEE LEONBA NB PLEASE IN RETURN MAIL, SEND YOUR PHONE NUMBER FOR EFFECTIVE COMMUNICATION.

MR. JOSEPH MAKALE DEPARTMENT OF MINERALS AND ENERGY PRETORIA, SOUTH AFRICA.

Sir, It is my great pleasure to write you this letter on behalf of my colleagues. Your information was given to me by a member of the South African Export Promotion Council (SAEPC) who was with the Government delegation on a trip to your country for a United Nations bilateral conference talk on sustainable development to encourage foreign investors. I have decided to seek a confidential co-operation with you in the execution of a deal hereunder for the benefit of all parties and hope you will keep it confidential because of the nature of the business. Within the Department of Minerals and Energy where I work as an assistant Director of Audit, with the co-operation of two other top officials, we have in our possession an overdue contractor payment in US Dollars funds. The said funds represent certain percentage of the contract value executed on behalf of my Department by a foreign contracting firm, (Pearls Ltd) which we the officials over-invoiced to the amount of US\$15,200,000 (Fifteen Million Two Hundred Thousand US Dollars). Since the present elected Government is determined to pay foreign contractors all debts owed, so as to maintain good relations with foreign governments and non-governmental agencies, we included our bills for approvals with the Department of Finance and the Reserve Bank of South Africa (RBSA). We are 100+% sure of funds approvals to anyone or company we (The Audit Committee) recommend as part of the sub- contractors who did jobs for the Department. We are seeking your assistance to front as the sub-contractor of the unclaimed funds, since we are not allowed to operate foreign accounts. Details and change of beneficiary information upon application for claim to reflect payment and approvals will be secured on behalf of You/your Company. My colleagues and I are prepared to give you US\$2.5m while we take US\$7.4m and the balance of US\$5.3m for taxes and miscellaneous expenses incurred. This business is completely safe and secure, provided you treat it with utmost confidentiality. It does not matter whether You/your Company does contract projects, as a

transfer of rights will be secured in favor of You/your Company through the Federal high Court of South Africa before we can proceed. I have reposed my confidence in you and hope that you will not disappoint us. Kindly notify me immediately for further details upon your acceptance of this proposal. You can contact me by email.

Yours Faithfully, Joseph Makale (Mr.)

From: m\_12abacha [m\_12abacha@telstra.com] Subject: MARYAM

Good day to you,

Don't be surprise when you receive this mail. It is borne out of my sincere desire to share a mutual business relationship with you. I am Maryam Abacha, wife and widow of the late Maj. Gen. Sani Abacha, the late former Head of State, Federal Republic of Nigeria. Upon the sudden death of my husband in 1998, life has taken a tremendous turn, this new government under the leadership of President Olusegun Obasanjo now in his second term is not helping issues, they are stopping at nothing to frustrate all my late husband has worked for, for a widowed woman, I have suffered depression and emotional torture, with my eldest son Mohammed, being detained and arraigned before the Oputa Panel in the past 2 years for a crime he never committed and just was released some months back because he promised he was going to delivered some documents that would lead to the recovery of some funds abroad, even one of the deposit I had wanted to invest in Europe was recently discovered by the Government and they have siezed it (\$60 Million).

All these coupled with the financial handicaps has resulted to the deterioration of my health, thereby causing me high blood pressure. The families' business empire including Selcon has been seized with our account both home and abroad frozen. The Swiss Bank recently disclosed the sum of \$400M belonging to my late husband that was lodged into their bank and this government has claimed it, our major source of livelihood has been denied us. The idea of contacting your humble person is not far fetched from the fact that I want to solicit for your unreserved assistance and to bring to your knowledge about a particular sum amounting to USD\$38.6M that is been lodged into a security firm, a couple of years ago by my late husband with the intention of floating an automobile firm with the sum before his sudden death. I deem it fit to contact you so that you can help in the safe keeping of this fund under your custody, since the Federal Government is not aware of this sum and also the finance Company where this money is lodged in europe are not aware of the content of the box, they feel it is the families treasure.

As I write this, it is with a heavy heart filled with tears and deep sorrow, no one knows how I'm feeling, you can imagine my situation as the former first lady with everything at the tip of my fingers when my beloved late husband was in power, all the likes of Chagouri Chagouri, the Lebanese man my late husband helped to the top and the family's friends has all deserted us and left us in this deep shit, with me alone to carry this load, I'm near the point of begging for food and death. Please, I beg you in the mighty name of Allah, for your unreserved assistance and not to betray this trust I bestow in you, for no risk is involved as all necessary arrangements towards the successful removal of this money has been perfected.

All that is needed from you is your sincere co-operation, unreserved assistance, total silence and not to sell me out or the family to the public as so much monitoring is being placed all over me by the security agents. You will be highly compensated for your assistance and also will be informed of the modalities of this project on your urgent reply to this mail and with the help of a lawyer to assist you legally, as the government's agents are monitoring all my moves even to the extent that I find it impossible to call my family friends, thus do not worry as my son Abba would be the one to assist you in this endeavour, please do note that if you cannot trust my family and my family the same thing, please do not reply back, thank you.

Truly yours, Mrs Hajia Maryam Abacha & Families
