IN THE NAME OF ALLAH, MOST GRACIOUS, EVER MERCIFUL

NEW LETTERS RECEIVED BY inquiries@embryosusa.org

FROM MRS. AMINA MOHAMMED [info.amina@indiatimes.com] Dear Friend,

Greetings!!

I come to you with a sincere heart believing in Almighty God that you will consider my plight and come to help and also benefit from me.

I am Mrs. Amina Mohammed, cousin and Personal Assistant to former Nigeria Head of State, Late General Sanni Abacha who died on the 8th July 1998 while in power. Before I proceed please accept my apology for the embarrassment this mail might cause you for coming from a total stranger who you do not know. Actually I got your contact from the Internet; please do not feel bad about it because I am compelled to reach you due to urgent need to safeguard the money in question. Once again, forgive me and come to my aid. Please read the following carefully.

Sometime in early 1997, my boss late Gen. Sanni Abacha entrusted to me the sum of US\$20.5M in cash (Twenty million, five hundred thousand US dollars) due to the trust and confidence he had in me. This money was meant for campaign in his self-succession bid but unfortunately he suddenly died before actualization of his aspiration. This amount of \$20.5M in CASH was deposited with a security company, which I will disclose in subsequent mail in a giant trunk box as diplomatic consignments In agreement

with Mr.Mohammed Abacha who is the son of Late General Abacha and the heir to the money. I write to solicit your Assistance for the money to be transferred to your custody. Note that Mr.Mohammed Abacha is currently in detention by the present Nigeria Government for reasons linked to activities of his father when he was in power. Now based on the business trust I have on you, I would want you to come forward and receive this consignment containing the money in cash on our behalf from the security company for subsequent disbursement between you and us. Understand that we are soliciting your assistance because the present Nigerian Government is seizing/freezing any Bank Account or valuables belonging to the late Head of State's family and relatives. Infact we do not have enough money now to sustain our family so, I will appreciate if you can consider our plight and assist us.For your assistance, we have agreed to compensate you with 20% of the total amount (\$20.5) while the remaining 80% is for us. We hope to invest part of our share in your country on viable area of investment as you may advise us.

If you are interested you will need to visit the Security Company for clearance of the consignment. I assure you that the transaction is 100% risk free. Please I implore you to keep this transaction absolutely secret against negative exposure. I would want you to contact me immediately so that we can proceed with the business. You should please on reply enclose your private telephone, fax number so that we can have more confidential correspondence.

Best regards, Mrs. Amina Mohammed.

From: Cheerful [becheerful@mail9.com Dear Sir/Madam

I am OLIVER OPARA, Bank Manager of Diamond Bank Plc, Lagos Branch. I have urgent and very confidential business proposition for you.I got your contact from the world trade center (W.T.C.) regional office in Lagos, Nigeria although the details of my intention was not made known to them. On June 6 1999, An American oil consultant / contractor with the Nigerian National Petroleum Corporation, Mr. Barry Kelly made a numbered time (fixed) deposited for twelve calendar valued at US \$25,500,000.00 (Twenty Five Million five hundred thousand Dollars) in my branch. Upon maturity, I sent a routine notification to his forwarding address but got no reply.

After a month, we sent a reminder and finally we discovered from his contact employers Nigerian National Petroleum corporation that Mr. Barry Kelly died from an automobile accident. On further investigation, I found out that he did not leave a WILL and all attempts to trace his next of kin were fruitless. I therefore made further investigation and discovered that Mr. Barry Kelly did not declare any next of kin in all his official documents, including his Bank Deposit paperwork. This sum of US \$25,500,000.00 is still sitting in the Bank and the interest is being rolled over with the principal sum at the end of each year. No one will come forward to claim it.

According to the Nigerian Law, at the expiration of 6 (six) years, the money will revert to the ownership of the Nigerian Government if nobody applies to claim the funds.Consequently, my proposal is that I will like you as a foreigner to stand in as the next of kin to Mr. Barry Kelly so that the fruits of this old

mans labor will not get into the hands of some corrupt government officials. This is simple: -

1. I will like you to provide me immediately with your full names and address so that the attorney will prepare the necessary documents and affidavits, which will put you in place as the next of kin. 2. We shall employ the services of two attorneys for drafting and notarization of the WILL and obtain the necessary documents and letter of probate /administration in your favour for the transfer. 3. A bank account in any part of the world, which you provide, will then facilitate the transfer of this money to you as the beneficiary / next of kin of Mr. Barry Kelly.

The money will be paid into your account for us to share in the ratio of 60% for me and 40% for you. There is no risk at all the paperwork for this transaction will be done by the attorney and my position as the Branch Manager guarantees the successful execution of this transaction. If you are interested, please reply immediately via the private email address below. Upon your response, I shall then provide you with more details and relevant documents that will help you understand.

Please observe utmost confidentiality, and rest assured that this transaction would be most profitable for both of us because I shall require your assistance to invest my share in your country. Thanks and regards,

OLIVER OPARA.

In order to commence this business we solicit your assistance to enable us transfer into your account the said trapped funds. The source of this fund is as follows: During the last

Contract Review Panel of which we are the constitute members. We have identified a lot of inflated contract funds which are presently floating in the Central Bank of Nigeria ready for payment. However, by

virtue of our position as civil servants and members of this panel, we cannot acquire this money in our names. I have therefore being mandated as a matter of trust by my colleagues of this panel to look for a foreign partner into whose account we will transfer the sum of US\$14,00,000.00 (Fourteen Million U.S.

Dollars Only) hence we are writing this letter. We have agreed to share the money thus: 1. 20% for the account owner (you) 2. 70% for us (the officials) and 3. 10% to be used in settling taxation and all local and foreign expenses. It is from this 70% that we wish to commence the importation business. Please note that this transaction

FROM: MICHAEL HENRY [m02_henry@yahoo.com] subject: URGENT Mr, Michael Henry

18 Independence Close, Johannesburg, South Africa.

URGENT AND CONFIDENTIAL

Dear, Mr/Miss

We want to transfer to overseas the sum of One hundred and Forty Two Million United States Dollars (U.S.\$142,000,000.00) from South Africa.

I want to ask you to kindly look for a reliable and honest person who will be capable and fit to provide either an existing bank account or to set up a new bank account immediately to receive this money, though an empty bank account could serve this purpose as long as you will remain honest to me till the end of this important business trusting in you and believing in God that you will never let me down either now or in time to come.

I am Mr, Michael Henry, the external auditor of a Bank. During the course of our auditing, I discovered a floating fund in an account opened in the bank in 1990 and since 1993 nobody has operated on this account again. After going through some old files in the records, I discovered that the owner of the account died without a "Heir apparent to the throne" hence the money is floating and if I do not remit this money out urgently it will be forfeited for nothing.

The owner of this account who is Mr. Eshed. B. Willey, a foreigner and an industrialist died, since 1990, until now no other person(s) knows about this account or could give any documentary evidence concerning this account. As such this account has no other beneficiary and my investigation proved to me as well that Eshed. B. Willey until his death was the manager Oriental Diamond Company, in South Africa.

However, if you are interested in this business we will start the first money transfer with Forty Two Million U.S. Dollars (U.S.\$42,000,000.00) upon successful transaction without any disappointment from you. We shall also re-apply for the payment of the remaining amount to your account.

While the total amount involved is One hundred and Forty Two Million United States Dollars (U.S.\$142,000,000.00) only. I would want us to make a first transfer of [Forty Two Million United States Dollar. (U.S.\$42,000,000.00)] from this money into a safe foreigners account abroad before the rest. I am

only contacting you as a foreigner because this money can not be approved to a local account, without valid international foreign "Agreement", but could only be approved to any foreigner with valid international credentials: passport or drivers license and foreign account because this sum is in U.S. dollars and the former owner of the account Mr.Eshed.B.Willey is a foreigner too, thus the money could only be approved into a foreign account.

However, knowing all this, we will reach a binding agreement in this regards.

As a matter of urgency, I will inform you the next step to take, while you Send your private telephone and fax number including the full details of the account to be used for the deposit.

I want us to meet face to face to build confidence and to sign a binding agreement that will bind us together before transferring the money to any account of your choice where the fund will be safe. Before we fly to your country for withdrawal, sharing and investments,I need your full co-operation to make this business a success, because the management is ready to approve this payment to any foreigner who has correct information of this account, which I will give to you,upon your positive response and once I am convinced that you are capable and will meet up with the instructions of a key bank official who is deeply involved with me in this business. I need your strong assurance that you will never let me down.

With my influence and the position in the bank we can transfer this money to any foreigner's reliable account which you can provide with assurance that this money will be intact pending our physical arrival in your country for sharing.

And to build confidence that you can come immediately to discuss with me face to face after which I will make this remittance in your presence and three of us will fly to your country at least two days ahead of the money going into the account.

I will apply for annual leave to get visa immediately I hear from you that you are ready to act as directed.

To prove the authenticity of the business I will use my position and influence to obtain all legal approvals for onward transfer of this money to your account with

appropriate clearance from the relevant ministries,foreign exchange departments, embassy and Board of Internal Revenue Services.

At the conclusion of this business, you will be given 35% of the total amount, 60% will be for me, while 5% will be for expenses both parties might have incurred during this process.

I look forward to your earliest reply,or you call me.

Some year ago, an American Mining consultant/ contractor with the South African Mining corporation, made a numbered time (fixed) deposit for twelve calendar months, valued \$142M.USD (ONE HUNDRED AND FORTY TWO MILLION US DOLLARS) in an account. On maturity, The bank sent a routine notification to his forwarding address but got no reply.

After a month, The bank sent another reminder and finally his contract employers, the South African

Mining corporation wrote to inform the bank that he died without MAKING A WILL, and all attempts by the American Embassy to trace his next of kin was fruitless.

I therefore, made further investigation and discovered that the beneficiary was an immigrant from Jamaica and only recently obtained American citizenship. He did not declare any kin or relations in all his official documents, including his Bank deposit paper work. Even an empty account can also serve as long as there will be honesty to us till the end of the transaction and I hope you will never let me down.

I am Paul Onah, the Auditor General, Magnus Trust Inc., Madrid Spain. In the course of our auditing, I discovered a floating fund in an account in the security company which was opened IN 1990. After going through the company records and files, I discovered that : (1) No one has operated this account since 1993; (2) The owner of the account died without a heir, hence the money has been floating. AND IF I DO NOT REMIT THIS MONEY URGENTLY, IT WOULD BE FORFEITED FOR NOTHING.

Mr Allan P Seaman, a foreigner and industrialist who died since 1993 was the owner of this account. He was until his death the Managing Director of Diamond Safari (Pty) SA. No other person knows about

this account and there was no known beneficiary.

The transfer is going to be in two installments. We would make the first transfer of \$8,000,000.00 (Eight Million US Dollars) and upon successful transfer without any disappointment from your side, we will then reapply for the remaining \$10,500,000 (Ten Million Five Hundred Thousand Dollars) into your account which will bring the sum total to \$18,500,000 (Eighteen Million, Five Hundred US Dollars).

I will require your urgent reply so that I give you the next step. Kindly forward your telephone, fax numbers and bank account details that will be used to transfer this money.

(VERY URGENT BUSINESS TRANSACTION)

Dear sir,

In order to transfer out (US\$ 22.5 Million) Twenty Two Million Five Hundred Thousand United States Dollars) from First Rand Bank.

I have picked-up the trust and courage to write you this letter with divine confidence that you are a reliable and honest person who will be capable for this important business transaction believing also that you will never let me down either now or in the future.

My name is Mr. Paul K. Harris, a senior Auditing Officer with the First Rand Bank (FRB) in South Africa. There is an account opened in this bank in 1980 and since 1990 nobody has operated on this account again. After going through some old files in the records, I discovered that if I do not remit this money out urgently it would be forfeited for nothing. The owner of this account is Mr. Fernando Carlos, a foreigner, he was a miner at ruger gold company, a geologist by profession, and he died since 1990. No other person knows about this account or any thing concerning it, the account has no other beneficiary and my investigation proved to me as well that this company does not know anything about this account and the amount involved is (US\$22.5 Million) Twenty Two Million Five Hundred Thousand United States Dollars). I want to first transfer (US\$12.5 Million) Twelve Point Five million United States Dollars from this money into a safe foreigners account abroad before the rest. I am contacting you based on the fact that you are a foreigner because this money can only be approved for payment to a foreigner, more so it can not be approved by any local bank here, as this money is in US Dollars hence the former owner of this account is a foreigner too. I know that this proposal will come to you as a surprise as we don't know ourselves before, however I got your contact from your Embassy's Commercial Attache I was meant to understand that your race are trustworthy however I did not disclose the purpose of my intention to anybody in the Embassy.

Although we will still have to meet possibly, sign some agreement before the final transfer of the fund into any of your chosen designated bank account.

I have involved a very senior official in the operational department and we have agreed that after the transfer of the money into your account, you shall be entitled to 25% of the total sum, we the officials will take 75%.

All necessary precautions have been taken to ensure a risk free situation on the side of the both parties. Please note that this deal can only take place on the following conditions:-

1. you will provide the bank account and other relevant particulars/information for easy and onward Remittance of this money. 2. absolute confidentiality and sincerity will be required and guaranteed, considering our (me and my partners) positions in the bank. 3. Assurance that our own due share will be released to us in good faith when this money finally gets into your account. This transaction will last for some days as soon as we hear from you. Please treat with utmost confidentiality. Contact me as quickly as possible through my e-mail box. Expecting your urgent response,

Best Regards,

Yours faithfully,

Mr. Paul K. Harris.

HOPEFULLY THATS THE END OF THIS TALE FOR EMBRYOS.....
