FROM:THE DESK OF MR.REUBEN MAVIMBELA. TEL:+44 7040-112-137 FAX:+44 8701-350-185 ACQUISITION OF ESTATES. I write to inform you of my desire to acquire estates or landed properties in your country on behalf of the Director of Contracts and Finance Allocation of the Ministry of works and Housing in South Africa. Considering his very strategic and influential position, he would want the transaction to be strictly as confidential as possible. He further wants his identity to remain undisclosed at least for now, until the completion of the transaction. Hence our desire to have an overseas agent. I have therefore been directed to inquire if you would agree to act as our overseas agent in order to actualise this transaction. The deal in brief is that the funds with which to carry out our proposed investments in your country is presently in a coded account in the South African Reserve Bank and we need your assistance to transfer the funds to your country or any safe account outside your country in a convenient bank account that will be provided by you before we can put the funds into use. For this you shall be considered to have executed a contract for the ministry. The contract sum of which shall run into US\$28.2Million of which your share shall be 20% if you agree to be our overseas agent. Your area of specialisation does not matter in this transaction, all that is required of you is a safe account and your willingness to assist us acquire estates in your country. As soon as payment is effected and the amount mentioned above is successfully transferred into your account, we intend to use our own share in acquiring some estates abroad. For this too, you shall serve as our agent. It might interest you to note that last year, a similar transaction was carried out with one MR. MAO VOUNG of China but after securing the payment approvals, and payment effected, MR.MAO VOUNG changed his numbers and

addresses, and was no where to be found on our getting to China. That was how we lost US\$10.5 Million. So this time around, I will be with you before the remittance is made into your provided account to avoid future occurrence and allow trust to play a very minimal role until performance is seen. You are requested to communicate your acceptance or otherwise of this proposal, through this fax No. +44 8701-350-185. After which we shall discuss in details the modalities for seeing this transaction through. If however, you are not disposed to assist, kindly destroy this message in view of the confidentiality of the proposed transaction and interest of personalities involved. Thank you in anticipation of your co-operation. Best Regards, Mr. Reuben Mavimbela.

Although we never met before, I have every reason to believe that you are a highly respected personality, considering the fact that I sourced your profile from a human resource profile database on your country. Though, I do not know to what extent you are familiar with events and fragile political situation in Liberia but it has formed consistent headlines in the CNN, BBC news bulletins, My name is MR. HARRISON KARNWEA WINPOE from Liberia, a Country in West Africa. My Uncle is MR JOHN YORMIE. WINPOE, former DEPUTY MINISTER OF NATIONAL SECURITY in LIBERIA. My uncle was falsely accused of plotting to remove the then PRESIDENT OF LIBERIA (CHARLES TAYLOR) from office. Without trial, Charles Taylor killed him. you can verify this from this international newspaper website below: http://www.usatoday.com/news/world/2003-07-15-liberia_x.htm Before he was killed, my uncle instructed me to escape with his family to a hide out in JOHANNESBOURG SOUTH AFRICA, and he confined on me that he left some money in a Diplomatic Trust Company in Abroad, (name withheld for security reasons) he handed me over a certificate meant for a secret Deposit, which he made in the Security Company. If you may ask why do I need a foreign assistance or why can't I take the cash transfer and myself? The answer is that there was an exclusion clause in the original agreement between the company and my uncle which states unambiguously that 'nobody, not even himself, can have access to the consignment in the company, and it has to be transferred to a foreign beneficiary outside Africa. This was done because he envisaged his arrest and this clause were inserted to prevent any seizure or infiltration of the fund. MR. CHEUNG PUI HANG SENG BANK LTD. DES VOEUX RD. BRANCH, CENTRAL HONG KONG, HONK KONG. EMAIL: contact_pui@yahoo.com.hk

Let me start by introducing myself. I am Mr Cheung Pui director of operations Hang Seng Bank Ltd. I have an obscured business suggestion for you.Before the U.S and Iraqi war our client Major Fadi Bassem who was with the Iraqi forces and also a business man made a numbered fixed deposit for 18 calendar months, with a value of twenty four millions five hundred thousand United State Dollars (24,500,000USD) in my branch. Upon maturity several notices was sent to him, even during the war earlier this year. Again after the war another notification was sent and still no response came from him. We later found out that the Major and his family had been killed during the war in a bomb blast that hit their home.After further investigations it was also discovered that Major Fadi Bassem did not declare any next of kin in his official papers including the paper work of his bank deposit. And he also confided in me the last time he was at my office that no one except me knew of his deposit in my bank. As you can see, twenty four million five hundred thousand United State Dollars is still lying in my bank and no one will ever come forward to claim it. What bothers me most is that according to the by-laws of my country at the expiration of 3 years the funds will revert to the ownership of the Hong Kong Government if nobody applies to claim the funds. Against this backdrop, my suggestion to you is that I will like you as a foreigner to stand as the next of kin to Major Fadi Bassem so that you will be able to receive his funds.

WHAT IS TO BE DONE: I want you to know that I have had everything planned out so that we will come out successful. I have contacted an attorney that will prepare the necessary document that will back you up as the next of kin to Major Fadi Basem, all that is required from you at this stage is for you to provide me with your full name and address so that the attorney can commence his job, after you have been made the next of kin, the attorney will also file in for claims on your behalf and secure the necessary documentation for the move of the funds to an account that will be provided by you. There is no risk involved at all in the matter as we are going to adopt a legalized method and the attorney will prepare all the necessary documents. Please endeavor to observe utmost discretion in all matters concerning this issue. Once the funds have been transferred, we shall share in the ratio of 70% for me, 25% for you and 5% for any expenses incurred during the course of this operation. Should you be interested please send me your private phone and fax numbers for easy communication, you can write me via my private box(contact_pui@yahoo.com.hk)and finally after that i shall provide you with more details of this operation. Your earliest response to this letter will be appreciated.

Kind Regards

Mr. Cheung Pui.

FROM: MRS. MARIAM ABACHA ATTENTION: I am Alhaja (Mrs.) Mariam Abacha, wife to the late Nigeria Head of State -General Sani Abacha who died in 1998 while still on active service as the Nigerian Head of States. It is disheartening that after the death of Gen. Abacha my husband, the present civilian government intensified efforts in humiliating and frustrating the entire household of the late Head of State. All Abacha_s accounts both within and abroad have been frozen by the present government. In the light of the foregoing precarious situation, I therefore contact you in view of the fact that you could be of a great assistance to me and my family, moreso develop a cordial business relationship. I currently have within my reach the sum of Sixty Five Million United States Dollars (US\$65,000,000:00) cash which I intend to use for investment purpose specifically in your country. This money came as a result of a pay back contract deal between my late husband and a Russian firm on our country_s Multi-billion Dollars Ajaokuta Steel Plant. The Russian partners returned my husband_s share of US\$65 million after his death and lodged it with my husband_s security firm in london. Recently, the new civilian government has revoked our licenses that allow us to own a financial and oil company. In view of this, I acted very fast to withdraw the US\$65

million from the company_s vault well preserved and packaged in trunk boxes and deposited it in a privately erected security safe in London UK. I have since declared the security company bankrupt. No record ever existed concerning the money neither is the money traceable by the government because there is no document showing that we received the money from the Russians. Due to the current situation in the country concerning the government attitude towards my family, it has become quite impossible for me to make use of the money within, thus I seek your assistance to move the money out of London. It is also becoming obvious that the Government is after my late husband_s wealth and the children. My first son Mohammed has been in detention for the past four years for an offence he did not commit and Bashir my second son is in hiding, so I would like you to assist me in two areas, (a) to ensure that this money gets out of that country, (b) To make sure that my second son Bashir moves out of this country soonest to your home country for security reasons and to be with you before the money gets there. On your consent, I shall expect you to contact me urgently through the above email address to enable us to discuss in detail about this transaction. Bearing in mind that your assistance is needed to transfer this fund, I propose a commission of 30% (percent) of the total sum to you for the expected service and assistance. Your urgent response is highly needed so as to stop further contact. All correspondences must be by Email or fax. I must also use this opportunity to implore you to exercise the utmost indulgence to keep this transaction a confidential issue. Whatever your decision, I await your prompt response. Thanks. Yours faithfully, MRS. MARIAM ABACHA.

Shell petroleum Development Company 44-marina house, Lagos Nigeria. Our ref: NNPC/SPDC/03

Dear Sir/Madam,

First, I must solicit your confidence in this transaction; this is by virtue of its nature as being confidential. I am assuring you that all will be well at the end of the day. We have decided to contact you by E-mail due to the urgency of this transaction.

Let me start by introducing myself properly to you. I am Mr. Thomas Coker, group executive director, finance and account of NNPC formerly in line with Shell petroleum development cooperation in joint venture (NNPC/SPDC). I came to know of you in my private search for a reliable and reputable person to handle this confidential transaction, which involves the transfer of the sum of Thirty-five million United States dollars, to a reliable account abroad.

This amount was secured from excess oil sales from Nigeria crude oil. the sum of \$1.2 billion oil windfall was relieved by the NNPC and shell petroleum development company for the month of August 2002. Organisation of petroleum exporting countries (OPEC) crude oil price was pegged at \$22.00 per barrel and fortunately for oil producing countries like Nigeria, there was a rise in oil price to about \$27.00 and \$28.00 per barrel and as a result there was excess oil sales and I believe you would be aware of this rise in Oil price in last two years.

Out of this \$1.2 billion excess oil funds, my colleagues and myself. Because of our position in the account department of the NNPC and shell Petroleum Development Company diverted the sum of thirty-five million United States dollars we want to transfer into your account, which is in the excess crude oil sales account with central bank of Nigeria.

To enable the bank transfer this US\$35m secured into your bank account. You will be acting as one of our contractors and this money will be paid in your favor. Note, the reason for the transfer of these thirty-five million US dollars into your account was because of our incapability as Government officials to own a foreign account, as it is unlawful by law in Nigeria as civil servants.

All the necessary documentation for the approval of this fund into your Account will be taken good care of and this business is 100% risk free. As all the modalities for the smooth transfer of this fund into your Account has been concluded already. My colleagues and I have agreed to offer you the percentage medium below:

DEBT VERIFICATION AND PAYMENT COMMITTEE, LAGOS-NIGERIA. Sir/Madam,

I am writing this mail to you with a strong conviction that you will have the moral courage to utilize the benefit of this rare opprtunity. I am a member of the Debt Verification and Payment Committee vested with the authority to ascertain the genuity and authenticity of Foreign Contractors' Claims. Prior to this time, so many contracts awarded to foreign contractors are cuing for payment at the various government ministries and parastatals. The ministry mostly affected by this long list of unpaid bills was the Ministry of Petroleum Resources because of the withdrawal of the Federal Government Foreign Technical Partners (TP) in the Petroleum Industry and the eventual collapse of the four-(4) refineries in the

country. In the course of our audit and investigation of various claims presented for settlement by foreign contractors, we discovered a sub-contact over valued to the tune of USD21.6M.

The executive president of the Federal Republic of Nigeria Chief Olusegun Obasanjo in his bid to woo technical partners and resuscitate the comatose Petroleum Industry have therefore directed that all outstanding payment due to foreign contractors especially in the Petroleum Industry be paid to them immediately. Fortunately for us, the said sub-contract valued at US\$21.6m has been listed for payment this quarter. My partners and I have therefore agreed to divert this amount into our private use. Again as public service workers we are not permitted by law to operate foreign accounts and hence the need for contacting you to stand as the creditor to the Ministry.

You shall be adequately compensated. 15% of the money will be given to you if you agree to help us while my colleagues and I shall have 80%. The remaining 5% is set aside to cover any expenses that might be incurred in the course of this transaction by both parties. For a smooth transfer, you are kindly requested to send the following information to me through my alternative e-mail: camah@post.cz for security and confidential reasons.

1. Your First and Last Names and addresses, and 2. Your fax and telephone numbers.

When we receive this information from you, we shall apply and obtain the necessary payment approvals from the relevant authorities. You shall be officially regarded as the bona-fide owner of the fund. When the money is transferred you, we shall visit your place for sharing and discussion relating to business investments. The confidence and trust reposed in you cannot be over emphasized. Therefore, you are required to keep this deal to yourself and confidential. Please note that the contract had been completed, commissioned and the original contractor settled.

We wait in anticipation of your fullest co-operation.

Yours faithfully,

Dr Chris Amah.

ATTN: The President / Director. Dear Sir / Madam,

I am Dr. (Mrs.) Maryam P. Abacha, the wife of the late Nigerian Head of states, General Sani Abacha who died On the 8th June 1998 of heart problems while on Active duty. I am contacting you because of my present Need to engage in a mutually beneficial business Relationship with person whom I have not had dealings Before and who do not have any political indignation In my country, Nigeria.

Since the death of my husband my family has been Subjected to all sorts of harassment, intimidation and Persecution by the Nigerian government. This is Because the people in the government now are people Who believe that my husband victimized them while he Was in power. They have frozen numerous bank accounts And seized monies and assets running into hundreds of Millions of dollars belonging to my family under the Excuse that my late husband stole the money. It is in View of this that I seek the assistanceof honest, God Fearing people like you to helpmecure my family's Estate.

Presently I have with me the sum of US\$30.5 Million, Which I wish to transfer abroad as discreetly and

as Expeditiously as possible and I wish with your help To apply this fund towards investment purposes in Your country. This money was my husband's share in a Debt buy back contract deal between my husband and a Russian company in our country's multi-billion dollar Ajaokuta Steel project. The Russian company returned My husband's share of S\$30.5Million after his death And lodged it in a Financial Security Company in Europe.

With the intensification of the Nigeria Government Probe into my family's finances and the consequent Detention of my son Mohemmed on trumped up charges, I have decided that we acted fast to withdraw this money from the Security Company's vault since I have declared my self Bankrupt. No records whatsoever exist Concerning this money because I have personally Destroyed all documentation concern except for the deposit certificate. Which I still have as evidence that the money exist.

Now I wish to solicit for your assistance to transfer This money out of Europe and into your account to be Applied towards investment in your country. For your Assistance I purpose to give you a commission of 30% Of the total sum involved, which you shall deduct Immediately the money is paid into your account.

Please, I implore you to exercise the utmost Discretion in keeping this matter very confidential, Whatever your decision will be. Contact me immediatelyThrough email: ma560k@yahoo.com

Yours faithfully,

DR. (MRS.) MARYAM ABACHA MNI,CON.

I am way peterson, a white Zimbabwean Farmer, currently in hiding in Zimbabwe. I used to work in three tobacco farms in Chipinge, and I was also part owner of these farms which were owned by my late father. I am contacting you as the need for me to have a foreign partner in your country has become necessary due to my plans to relocate to that country that I can purchase some land and start farming all over again, as the present political instability in Zimbabwe, does not encourage financial investment as the environment is no longer conducive for farming investment and most of all, security is not guaranteed, just as reported by international media. This problem started when the Zimbabwean government under the leadership of President Robert Mugabe announced a decree on May 31st 2000 to seize more than 849 white-owned farms. During this period, as reported by international media and the CNN, more than 6 white farmers(including my father) were killed; the government is not stopping at this, as the government has already asked all white-farmers to give up their farms to black farmers or risk going to prison. So far, more than 1,400 white owned farms have been invaded and confiscated, as well as claiming the properties of the farmers. Also, about 133 white farmers arrested for defying the orders to leave their farms under the controversial land reform programe of the government. Having lived in this country Zimbabwe for years, I have no other country to go to, therefore, I decided to contact you, for your assistance, so that I can divert my interest in Zimbabwe to a more stable country as yours. Also, I must re-iterate the importance of having a citizen of your country to front for me, since we intend to purchase some land for farming, I do not know much about your land-ownership laws, I thought it wise to seek the help of a foreigner to act as proxy for me. For this purpose, I have put in a security deposit all monies from the sale of my farming equipment(including tractors etc) and also all financial profits. I will upon receiving your consent prepare every document to enable you receive this money on my behalf, pending my arrival to meet with you in your country so that we can both make further arrangements with regards to the purchase of land. For your assistance to me, you will be entitle to a commission of 20% of the total sum that you will be receiving on my behalf for the above purpose. the following information, so that I can reach you: 1. YOUR CONTACT ADDRESS 2. YOUR TELEPHONE AND FAX NUMBER I am waiting urgently for your response, while also requesting that you treat this matter in strict privacy. Cheers and God bless. I will give you more details when I hear from you. ATTN: The President / Director. Dear Sir / Madam,

I am Dr. (Mrs.) Maryam P. Abacha, the wife of the late Nigerian Head of states, General Sani Abacha who died On the 8th June 1998 of heart problems while on Active duty. I am contacting you because of my present Need to engage in a mutually beneficial business Relationship with person whom I have not had dealings Before and who do not have any political indignation In my country, Nigeria.

Since the death of my husband my family has been Subjected to all sorts of harassment, intimidation and Persecution by the Nigerian government. This is Because the people in the government now are people Who believe that my husband victimized them while he Was in power. They have frozen numerous bank accounts And seized monies and assets running into hundreds of Millions of dollars belonging to my family under the Excuse that my late husband stole the money. It is in View of this that I seek the assistance of honest, God Fearing people like you to help me secure my family's Estate.

Presently I have with me the sum of US\$30.5 Million, Which I wish to transfer abroad as discreetly and as Expediently as possible and I wish with your help To apply this fund towards investment purposes in Your country. This money was my husband's share in a Debt buy back contract deal between my husband and a Russian company in our country's multi-billion dollar Ajaokuta Steel project. The Russian company returned My husband's share of US\$30.5 Million after his death And lodged it in a Financial Security Company in Europe.

With the intensification of the Nigeria Government Probe into my family's finances and the consequent Detention of my son Mohemmed on trumped up charges, I have decided that we acted fast to withdraw this money from the Security Company's vault since I have declared my self Bankrupt. No records whatsoever exist Concerning this money because I have personally Destroyed all documentation concern except for the deposit certificate. Which I still have as evidence that the money exist.

Now I wish to solicit for your assistance to transfer This money out of Europe and into your account to

be Applied towards investment in your country. For your Assistance I purpose to give you a commission of 30% Of the total sum involved, which you shall deduct Immediately the money is paid into your account.

Please, I implore you to exercise the utmost Discretion in keeping this matter very confidential, Whatever your decision will be. Contact me immediately Through email: ma342003us@yahoo.com

Yours faithfully,

DR. (MRS.) MARYAM ABACHA MNI,CON.

ATTENTION

Dear friend,

I am Barrister JONES BENJAMIN, a solicitor at law. I am the personal attorney to Mr. Hill Reinhard , a national of your country, who used to work with Shell petroleum Development Company in Nigeria.

On the 21st of April 2000, my client, his wife and their 4 children were involved in a car accident along sagbama express road. All occupants of the vehicle unfortunately lost there lives. Since then I have made several enquiries to your embassy here to locate any of my clients extended relatives, this has also proved unsuccessful.

After these several unsuccessful attempts, I decided to track his last name over the Internet, to locat any member of his family hence I contacted you.I have contacted you to assist in recovering the fund valued at US\$10.5 million left behind by my client before it gets confisticated or declared unserviceable by the Bank where this huge amount were deposited.

The said Bank has issued me a notice to provide the next of kin or have the account confisticated within

the next twenty one official working days. Since I have been unsuccessful in locating the relatives for over 2 years now, I seek your consent to present you as the next of kin to the deceased since you have the same last names, so that the proceeds of this account can be paid to you.

Therefore, on receipt of your positive response, we shall then discuss the sharing ratio and modalities for transfer. I have all necessary information and legal documents needed to back you up for claim. All I require from you is your honest cooperation to enable us see this transaction through. I guarantee that this will be executed under legitimate arrangement that will protect you from any breach of the law.

URGENT BUSINESS PROPOSAL

Dear Sir/Ma

Compliment of the season. I got to know of you in search for a reputable and reliable person to assist me in an urgent need requiring utmost trust and confidentiality.

I am PRINCE.MILL KHAN, the manager in the FOREIGN REMMITTANCE DEPT. of UNION BANK PLC. I am writing this letter to ask for your support and co-operation to carry out this business opportunity in my department.

We discovered an abandoned sum of (\$30million) Thirty-Million Dollars Only in an account that belongs to one of our foreign customer Late Mr. Robert Ebner, who died along with his entire family of a wife and three children in October 31, 1999 in a plane crash. Since we heard of his death, we have been

expecting his next of kin to come over and put claims for his money as the heir, because we can not release the fund from his account unless someone applies for the claims as the next of kin to the deceased as indicated in our banking guidelines.

Unfortunately, neither their family member nor distant relatives has ever appeared to claim the fund. Upon this discovery, I and other officials in my department have agreed to make a deal with you and release the fund into your account as the NEXT OF KIN of the deceased, since no one came for it or discovered the maintained account with our Bank otherwise the fund will be returned to the bank's treasury as unclaimed fund. Please visit <http://www.greatdreams.com/PassEAir990.htm> for your confirmation of the death of The money will be paid into your account for us to share in the ratio of 60% for me and my colleagues, and 35% for you, while 5% will be for expenses both parties might have incurred during the process of the transferring.

After the successful completion of this transaction, one of my colleagues and I will come to your country and mind our percentage. It is from our share we intend to import medical equipments into my country as a way of recycling the fund. To commence this transaction, we require you to immediately indicate your interest if this proposal is OK. by you or you do not wish to take advantage of the trust we hope to bestow on you, then kindly reach me through my private email address (millkhan@mail2don.com). On getting your response and willingness to do this business with me and my colleagues, I will then inform you on how we go further in the transactions.

NOTIFICATION: THIS TRANSACTION IS 100% RISK FREE ,FOR YOUR INFORMATION AND ASSURANCE TO AVOID BEING SCARED ABOUT THE TRANSACTIONS.

I await your immediate response.

Best Regards. PRINCE.MILL KHAN Manager. UNION BANK PLC EMAIL:millkhan@mail2don.com

My Dear Friend.

How are you ?

I am mr abraham Abacha, son of the late Nigerian Head of state, General Sani Abacha who died few years ago while still on active service for my Country nigeria.

I got your contacts profile in the internet and i was moved to write you this

letter,this was in confidence considering my family present circumstances and situations. I am

presently in distress still undergoing trial in Abuja,though i was just been recently granted

bail from jail under the condition that my family refunds to the Federal Government of nigeria

the fund my late father deposited in swissbank and made me the next of kin.

I currently have within my reach the sum of \$30 million U.S dollars cash,To

save my family from total bankruptcy , This fund came as a result of payback contract deal

between my late father and a multinational arab construction firm, my late father awarded

refurbishment contracts of multi-billion dollar for our iron-ore company called Ajaokuta steel

plant.

The arab contractors wired my father gratification valued \$ 30 u s a dollars

being the above sum after his death,Presently, the civilian Government has intensified their

probe into my father financial resources which has led to the freezing of all our accounts,local

and foreign, the revoking of all our business licences and my unlawful arrest, In view of this I

acted very fast to withdraw this fund from the finance company that contain fund and redeposited

the fund in a bank with undisclosed identity to enable me seek a partner and transfer the fund

abroad.

However, because of the security Watch on me, i will not be able to carry out this transaction directly on my own, i have made all necessary arrangements with the bank that contain fund awaiting your response to this intent toward`s effective completion of this transaction in getting this money safely to your possession.

May i at this point emphasise the high level of confidentiality, which this business demands, and hope you will not betray the trust and confidence, which i repose in you , please send your personal information and your genuine particulars so that the bank will use them to process the change of ownership beneficiary status to your name as the sole owner and depositor, the fund will be transfer to europe immediately the change of ownership beneficiary status is effected and the original proof of fund documents will be handed over to you to enable you clear the fund.

Conclusively, although i have not met you but i am giving you this element of trust and confidence instead of me to lose this fund to the nigerian government, i have agreed to offer you 30% of the total sum while 70% is to be held on trust by you until i decide on a suitable investment in your country subsequent to my free movement by the Nigerian Government. Endeavour to send your phone and fax numbers for easy Communications. please this requires urgent attention.
